Muhammad Umair

Social Media Marketer

PROFILE

Dynamic and results-driven professional with 6+ years of experience in the digital marketing industry — including 4 years as a **Business Development Manager** and 2 year as a **Social Media Marketing Specialist**. Proven ability to lead client acquisition, build long-term relationships, and drive business growth through tailored marketing strategies. Skilled in social media marketing, SEO, and WordPress development. Passionate about combining creativity with data to deliver measurable results.

WORK EXPERIENCE

2025 – Present

Digital Media Marketing – Intern TECH-HUB Innovation Center Faisalabad

Worked as a **Digital Media Marketing Intern** at **TECH-HUB Innovation Center, Faisalabad**, where I assisted in executing digital growth strategies. Alongside learning core concepts, I managed social media platforms, supported SEO campaigns, created engaging content, and gained hands-on experience with digital marketing tools and techniques.

2025 – 2025

Social Media Marketing Specialist DEP LLC

Worked as a **Social Media Marketing Specialist** at **DEP LLC**, where I handled client acquisition and growth strategies. Alongside business development, I also managed social media marketing, SEO campaigns, and WordPress website projects.

2024 – Present

Social Media Marketing Specialist – Remote Cebrix Marketing

Currently working as a **Social Media Marketing Specialist** at **Cebrix Marketing**, handling client acquisition and growth strategies. Alongside business development, I also manage social media marketing, SEO campaigns, and WordPress website projects.

2024 – 2024

Business Development Manager MF Bzone Group of Companies

Worked as a **Business Development Manager** at **QuickBidEstimating**, focusing on leads for construction and estimation services. Created targeting strategies, optimized campaigns, and improved conversion rates. Gained a strong foundation in construction industry lead generation.

2022 – 2024

Lead Generation Specialist Surblund Consultants

Worked as a **Lead Generation Specialist** at **Surblund Consultant**, focusing on leads for Architects and estimation services. Created targeting strategies, optimized campaigns, and improved conversion rates. Gained a strong foundation in construction industry lead generation.
